Mary Frances Trust are pleased to announce that we will be holding a 'Ride Leader Award' course in Leatherhead.

This assessed one day course utilises a blended-learning approach to train candidates to be great ride leaders. You will engage with online learning and face-to-face, including a mix of theory, practical and assessments.

This course is part of the 'Men on Wheels' project  
This course would usually cost £135, but we are offering the course for free, we would just ask that candidates commit to hosting a couple of rides for Mary Frances Trust.
